Guru Purnima

Guru Purnima is a festival of reverence and dedication to the Guru. This festival is a festival of salute and respect to the Guru. It is believed that by worshipping the Guru on this day, his disciples receive the full fruits of the Guru's initiation. Guru has great importance in our life. 'Gu' means darkness (ignorance), and 'Ru' means light (knowledge). The Guru leads us from the darkness of ignorance to the light of knowledge. Future life is created by the Guru only. Today, in every field, there is a guru, spiritual, education, sports, literature, etc. The great men have said that if you want to achieve success, you should first find a good guru. It is difficult to achieve success without education which is a waste. Many lines, including "Guru Brahma, Guru Vishnu, Guru Devo," are enough to describe the glory of the Guru, but the reality is that Guru's glory and grace are infinite. To very first I want to wish you all a very happy GURU PURNIMA. It is celebrated in our school J.P.International on the 13th of July 2022. On this occasion we organised a special assembly, here Mrs Pooja Mam started the assembly with a beautiful song on GURUS. The assembly was conducted as usual. 9th class student Shivanshi presented a mesmerizing article about gurus. A second-class girl named Shanvi Gupta presented a beautiful thought. But when The Honorable Principal Mam addressed us on this beautiful occasion with her lovely thought and shared her life experiences, it was the most memorable moment for all of us ...In the end, Mrs Poonam mam presented a wonderful quote and her personal views on this occasion.

Plantation

किसी ने बहुत सही कहा है कि हमें प्रकृति की चिंता करने की आवश्यकता नहीं है। प्रकृति अपना रखरखाव करने में पूर्णतः सक्षम है, जब जब मनुष्य ने प्रकृति का संतुलन बिगाड़ने की कोशिश की है, प्रकृति ने अपना रौद्र रूप दिखाकर यह जता दिया है कि मानव सभ्यता का आस्तित्व प्रकृति से है, न कि प्रकृति का मानव सभ्यता से। हाल ही में धटित केदारनाथ त्रासदी, बाढ़, भूकंप आदि इसके ज्वलंत उदाहरण हैं। यही शिक्षा अपने छात्रों को देते हुए, विद्यालय में वृक्षारोपण का आयोजन किया गया और सभी छात्रों को अपने घर, आस-पड़ोस में वृक्षारोपण के लिए जागरूक किया गया।
