## ACHIVER'S REFLECTION

As my class 12th result was announced recently, I scored better marks in the boards. This only happens because of the support of my teachers and school. I am really very thankful to my teachers and school for doing this hardwork. Without their guidance i am unable to achieve this target during this pandemic. I never felt alone in the school, teachers are always stand with me as my friend, my mentor and as my family.

Teachers are the big part of everyones life. Without the guidance of teachers we never develop the better discipline and etiquette in us. They motivate us to make our life beautiful. A huge part of every students success goes to teachers.

Sincerely,

It is a proud moment for me as I scored 93.8% marks in CBSE Class 10th Academics. I am very grateful to all my Teachers for providing me their best knowledge and especially my parents for supporting me throughout the session.

According to me, Smart work is more necessary than Hardwork. We should study efficiently. We should prepare a proper time - schedule.

At last, Once again I want to Thank all my teachers and parents.

Sincerely

## *The stars of India's best ever Olympic performance*

With **Neeraj Chopra**'s historic gold in men's javelin throw, India's medal tally at the Tokyo Olympics swelled to seven – the highest-ever haul for the country, beating the tally of six medals at the 2012 London Games. India won one gold, two silver and four bronze medals at the Tokyo Games in an impressive showing. While Chopra clinched India's only gold medal at the Games, For the first time ever, India won a medal on day one of an Olympic Games. It came from **Saikhom Mirabai Chanu**– who scripted a remarkable redemption from Rio 2016. With an 87 kg lift in the snatch, and a 115 kg lift in the clean and jerk, she made the silver medal hers. With 90 seconds left to play in his semifinal clash with Nurislam Sanayev, **Ravi Kumar Dahiya** trailed 2-9 and took the Silver medal to his home. Ace shuttler **PV Sindhu**, boxer **Lovlina Borgohain**, wrestler **Bajrang Punia** and **the men's hockey team** all won bronze.

## During the day of

Independence Day, in India, national holiday celebrated annually on August 15. Independence Day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. It also marks the anniversary of the partition of the subcontinent into two countries, India and Pakistan, which occurred at midnight on August 14-15, 1947. British rule in India began in 1757 when, following the British victory at the Battle of Plassey, the English East India Company began exercising control over the country. The East India Company ruled India for 100 years, until it was replaced by direct British rule. The Indian Independence movement began during World War 1 and led by Mohandas K. Gandhi, who advocated for a peaceful and non-violent end to British rule. Independence Day is marked throughout India with flag raising ceremonies, drills, and the singing of the Indian national anthem.

## ***Ashok the great***

*This year we have celebrated 75th Independence day, when Indian flag unfurls it gives us a sense of pride. The Chakra in between the flag also known as the dharma chakra has been taken from the lion capital of Samrath Ashok ; popularly known as " Ashoka the great "was a prominent Emperor of Bharat varsha in third century BCE . Ashoka was the descendent of Chandragupta Morya who had established the Morya Dynasty; with the help of his guru Chanakya. Ashoka expanded his kingdom and ruled almost the entire Indian subcontinent from 200 BCE to 232 BCE .His reign over the vast empire would largely bring peace , harmony and prosperity to the land,making him the most esteemed monarchs in history.He played a key role in spreading of buddhism across ancient India.In "THE OUTLINE OF HISTORY" (1920) H.G. Wells wrote, "Amidst the tens of thousand of names of monarchs that crowd the columns of history,their majesties and graciousness and serenities and royal highnesses & the like, the name of Ashoka shines, and shines,almost alone a star."*

*As per Hindu belief, every time our world has been on the brink of being engulfed by evil , an avtar of lord vishnu ( the preserver and protector of our universe ) has graced mankind to ensure the distruction of evil and save humanity and krishna is said to be his 8th incarnation. Janmashtami is celebrated over two days. While most of us are familiar With notion of dahi handi being the most prominent feature of the janmashtami festival , it's initial celebration take place at mid night ( which was when krishna was born ). During this time his devotees rock the cradle in which a small idol of baby krishna resides and feed him dahi makhan. The fervour and fanfare Of the festival also come to life in London and the US On the day celebrated to mark “ Lord Krishna birth”.*
